

Woodlands Boys Choir

More than a song ~ voices for the future.

CONFIDENTIAL

SCHOLARSHIP APPLICATION

Please complete all information on this form. The Scholarship Committee, made up of two members from our Board of Directors, will review all applications and will notify all applicants as soon as practicable.

We believe that every family should have some financial commitment to the choir. Each semester, a limited number of scholarships are available. Scholarships are based on demonstrated financial need. Individual scholarship amounts typically are half tuition. They will be awarded in the form of a tuition discount. For repeat awards, an additional criterion of demonstrated commitment (chorister attendance & preparedness, and parent volunteerism) will be considered.
